How well is your child reading?

JOIN OUR READING STUDY AT STANFORD THIS SUMMER!

We are looking for child volunteers to participate in research studies on reading as part of the Brainwave Learning Center (BLC) this summer!

Children will be introduced to neuroscience concepts with fun and engaging activities. They will also get to see their very own brainwaves!

Contact us to learn more!
Email: readingstudy@stanford.edu
Phone: 650-391-3897

Visit the BLC at Synapse School (Menlo Park) or Stanford University

PARTICIPANT ELIGIBILITY
- Currently in grades K-8
- Any reading level
- Native English speaker
